- Business requirements
- Phone number
- Inquiry details
- Company name

## Information collected using technology

While accessing our website [www.sysconcronus.com](http://www.sysconcronus.com), we collect some information via technological means or tools. This information includes personal as well as anonymous information.

These technological means or tools include browser information, domain names, browser language, IP address, access time, access date, internet service provider, and country of origin. By accessing our website, you grant your complete consent to Syscon Solutions to collect all the information mentioned above.

## Cookies

Syscon Solutions uses cookies to store information about visitors' preferences, to record user-specific information on which pages the site visitor accesses or visits, and to personalize or customize our web page content based upon visitors' browser type or other information that the visitor sends via their browser.

### **Identification of Visitors to Site:**

We are able to identify you from the Personal Information that you submitted in the past or that you submit on a current visit. We are also able to identify you or your organization from other information obtained by technological means, such as browser you are using or the pages on the Syscon Solutions site you visit.

This data is now tracked by a third-party service and provided to us in aggregate form by that service.

### **Use of Personal Information**

Syscon Solutions collects the personal information of the user. This information is used for contacting users for any promotional, invitational, professional, or advertisement purpose only. Syscon Solutions does not use user's personal information for any other purpose which will violate the privacy policies.

We also use your personal information for sending you newsletters, emails, product update, and services information if you have requested so.

### **Disclosure of Personal Information**

Syscon Solutions does not disclose any information collected from users while accessing our website. We do not rent, share, trade, or sell your personal information with any third-party organization. However, we may share your information to fulfill your request for products or services with third-party.

We employ other companies and individuals offer to perform functions on our behalf. Examples include sourcing of customer privacy-lists, analyzing customer data, providing market intelligence, lead generation etc. They have access to personal information needed to perform their functions defined in contracts but may not use it for other purposes.

Syscon Solutions may use or disclose your Personal Information, User Data and other information if required to do so by law or in the good faith belief that such action is necessary to

- be in compliance with legal obligations
- protect and defend the rights or property of Syscon Solutions or its affiliates
- to protect the personal safety of users of the Site or the public in urgency like situations
- for protection against legal liability.

We only provide your personal information to third parties when we believe it is appropriate to comply with the law; enforce or apply our agreements; or protect the rights, property, or safety of Syscon Solutions, our users, or others.

### **Sharing Information with Affiliates**

We may share some or all of your Personal Information with our subsidiaries and other affiliates, without requesting your specific consent to such internal sharing. If Syscon Solutions and/or its assets are acquired by another company, you will receive a notice stating the acquiring company will possess the Personal Information collected by us and it will assume the rights to use and the obligations to protect your Personal Information as in accordance with this Privacy Policy.

You can also choose to not to provide your information with affiliates by notifying us through emails.

## **Information Access Rights**

We give you the access to the information which you have provided and which we have collected through your interactions with us at [www.sysconcronus.com](http://www.sysconcronus.com) or any of our social media platforms for the limited purpose of viewing and, in certain cases, updating that information by emailing us to [business@sysconcronus.com](mailto:business@sysconcronus.com). For more information on your rights with regard to your personal information, please refer to the Privacy Notice.

If you've already shared with us any personal information, then as a Data Subject when you've any queries related to data privacy, you may raise your queries by emailing us to [business@sysconcronus.com](mailto:business@sysconcronus.com).

## **Privacy Policy Revisions and Updates**

This Privacy Policy is subject to revision, and if we make any substantial changes in the way we collect, use, or disclose your Personal Information, we will post a notice on this page or send the periodic reminders of our notices and conditions.

If you object to any such changes, you must cease using our website. Unless stated otherwise, our current Privacy Notice applies to all information that we have about you and your account. Continued use of our website following notice of any such changes shall indicate your acknowledgement of such changes and agreement to be bound by the terms and conditions of such changes.

We stand behind the promises we make, however, and will never materially change our policies and practices to make them less protective of customer information collected in the past without the consent of affected customers.

## **How can you contact us?**

If you have any questions, comments or complaints about our privacy policies or your personal information, or if you'd like a copy of this Privacy Policy, please contact us at [business@sysconcronus.com](mailto:business@sysconcronus.com) or in writing to:
