About Syscon Cronus

Syscon Cronus is an indigenous ERP product company, focused on manufacturing industries. We have been helping Indian manufacturers achieve operational excellence for over 30 years with our industry-focused, 99% plug-and-play ERP solution.

Our mission is to empower manufacturers with a simple, reliable and affordable ERP system that delivers real business value — without the complexity and high costs of traditional ERP solutions.

Swadeshi ERP | **99% Plug & Play** | **Trusted by 150+ Customers**

Your Growth. Our Commitment.

Why Choose Syscon Cronus?

- **99% Out-of-the-Box**
  No benchmarking. No lengthy customisation. Just get started.
- **Fast Go-Live**
  Implementation in 4 – 12 weeks.
- **Cloud + On-Prem**
  Flexible deployment options.
- **One Code Base**
  Regular upgrades. No separate OEM or custom code.
- **Lifetime Support**
  With fixed price. No hidden costs.
- **99.7% Cloud Uptime**
  Reliable and secure.
- **Employee First**
  A culture that puts people before process.
